

ADAMS, WALTER  
July 26, 1874-March 27, 1933

Word of the death of Walt Adams in the Denver General hospital in Denver Monday reached Wheatland Tuesday. But few knew that Mr. Adams was critically ill and news of his death came almost without warning.

As we go to press we are unable to learn much of the details or of his life's history.

Funeral services will be held at the Lyla Watson Funeral Home, Friday, with Rev. Dwight M. Kitch conducting the service.
