

SCOVELL, JOSIE K.  
1856-May 25, 1911

Mrs. O. Scovell, who has been seriously ill for several weeks, passed away at the family home in this city yesterday at about ten o'clock, death being the result of a paralytic stroke. Mrs. Scovell was first taken sick several weeks ago with an attack of pneumonia, and was thought to be improving steadily until the last week when her condition became grave.

The deceased was one of the Pioneer residents of Wheatland, and one of our most highly respected citizens, and the news of her demise will come as a great shock to her many friends everywhere. The deceased, for many years, was Grand-Treasurer of the O.E.S. Grand Lodge, and had numberless friends and acquaintances throughout the state. An obituary notice will be given next week.
